

Mondamin's

November 2025

Mission: To help residents learn what is happening in town and around the area.

CITY COUNCIL NEWS

Mondamin's City Council met on October 7, 2025, for its monthly meeting. All members were present except Jim Rains who submitted his resignation. Members of the public were also present. The evening's agenda, last month's minutes, and the monthly claims were all approved unanimously.

Department Reports:

The librarian, Marla Rife, gave the Mondamin Public Library's report for the September activities. The library president donated two book bags to be given to one boy and one girl. The winners of the drawing were very excited to have the new bags which were filled with school supplies. Marla had a booth at the Boo Bash which was held on October 5th in the park. She reported that she had lots of participation from children. Her goals are to develop new activities and ideas to bring people to the library. She also explained the new state-wide library share program to the council. It will help with library expenses and yet allow patrons to access books that they want to read.

There was an update on the property maintenance from John Harrison of Bluffs Inspection Service about 401 Cedar Street. Neither owner was present at this meeting. The condition of this property had high weeds, trash, and an open outside door among other nuisances. An email will be sent to the owners to advise them that their property needs to be cleaned up to avoid abatement proceedings.

Several items were slated for New Business. The public hearing was held at 7:23 p.m. to open bids for the city-owned property at 107 S. Main Street. Two bids had been received. After reviewing the bids and discussion, the hearing was closed. Resolution 2025-10 was voted on and approved unanimously to sell Lot Five and Lot 6 of Block 6 to the higher bid submitted by Robert and Ruth Neill for \$4,000.

The next items were proposed grant applications to the King Foundation from the American Legion post and the Mondamin Community Center and the Mondamin Public Library. The legion and the community center board are applying for a grant to fund various upgrades to the community center. The library board is applying for funds for new boardroom chairs, computers, magnetic puzzles and new books for the patrons to use.

The council discussed Member Seago's suggestion for land use of the city-owned property that surrounds the new water plant at 501 Cedar Street. She presented the idea of finding a developer that would be interested in using the land to convert it to a residential neighborhood. For the time

being maybe it could be used for agriculture.

Another property at 409 Pine Street was discussed. The city has recently become owners of this property. It has abandoned vehicles with no titles on them. Clerk Hirst will contact the city attorney to see what legal process there is to remove the vehicles.

The last action was to vote on Resolution 2025-11 approving the 2025 Street Finance Report. The roll call vote of the council was unanimous for approval to submit this report to the state.

In reports given by the city employees, City Clerk Hirst reported she has spent her hours developing the annual Street Finance Report in time for the state's deadline and is continuing to work on the city's audit. This audit was required because more money was spent in the past year than what is typical because there were delays in the water plant's completion. This is required by federal agencies that fund projects like the city's new water plant when over \$750,000 is spent in one year.

Public Works Superintendent Kelley told the council that he has winterized the park's splash pad and the bathrooms. He also installed the new bench swing at the park. The sewer lagoon needs new aerators he reported.

The next council meeting will be held Monday, November 3, 2025, at 7:00 p.m. at the Mondamin City Hall. The council will be seeking someone to be appointed to fill Mr. Rains' seat.

COMMUNITY NEWS

Daylight Savings time ends Sunday, November 2, 2025, at 2:00 a.m.

Remember to change your clocks and "fall back" to standard time. The U.S. Senate unanimously passed the "Sunshine Protection Act" in 2022, which would have made DST permanent nationwide. However, it was not passed by the House of Representatives. A similar bill was reintroduced in January 2025, but no action has been taken.

West Harrison will host a Veterans Day Program at 1:00 p.m. on November 11, 2025, in the school gymnasium. (See more information in the SCHOOL NEWS.)

Mondamin Community Partners successfully sponsored its 2nd annual Boo Bash on October 5. Thank you to the 33 volunteers (adults and high school students) who helped with the games and other events. Without your help, this fun afternoon wouldn't happen.

Raffle tickets were sold prior to the event by the Jiffy Mart and the Mondamin Public Library. Thanks to them for helping make the raffle very successful.

Winners of the raffles are as follows:

Brooke Foland – 2 passes to Vala’s Pumpkin patch donated by Vala’s.

Laura Rife – 1/3 cord firewood donated by Lickety Split Firewood (Eric Freihage)

Megan Wisniewski – Beverage Basket donated by Susie Lawrenson and others.

Morgan Maiwald – the Nebraska Huskers wooden flag made and donated by Jeff Evers.

Kristin Brunow – the Iowa Hawkeyes wooden flag made and donated by Jeff Evers.

Elizabeth Dorrance – 4 adult buffets donated by Pizza Ranch of Missouri Valley.

Sandy Lycan won the candy as she had the closest guess of how many pieces were in the container.

Thank you so very much to the donors of the raffle prizes. You are appreciated very much! Thank you also to those of you who ran the games. What fun!

Mondamin Community Partners’ next event is **Light Up the Park on November 30, 2025, from 3:00 p.m. – 5:00 p.m.** Come see Santa and Mrs. Claus, two of their reindeer, have hot chocolate and popcorn, West Harrison Post Prom Parents will have their delicious chocolate chip cookies for

sale, and stay for the beautiful Christmas decorations to brighten the park. Watch the city’s Facebook page for the date and time the park will be decorated. We will need help. All volunteers will be welcome to help with that project.

City and School elections will take place on Tuesday, November 4, 2025. The polls will be open from 7:00 a.m. until 8:00 p.m.

To vote in Iowa, you must be registered to vote. To learn how to register to vote and if you qualify to vote, click here:

To vote by absentee ballot in Iowa all the information you need to obtain the ballot and return it will be found here:

<https://sos.iowa.gov/voters/absentee-voting>

When you vote in person, remember to bring proper identification (Driver’s License, Passport, Iowa non-operator ID, Out-of-state driver’s license or non-operator ID, U.S. Military or veteran ID, ID card issued by an employer, Student ID from an Iowa high school or college or a Tribal ID card or document.)

There is no candidate running for the position of mayor in the Mondamin city

election. That means voters can write in the name of a person they would like to see have that office. To write in a person's name, the voter MUST darken the oval and then put in the name. If you are in doubt about the spelling, get it as close as you can. As long as the election officials can determine who you have selected, that is how your vote will be counted. You can always write in a name for any contest just always make sure you darken the oval. If the oval isn't darkened, your vote will NOT count.

The **Community Thanksgiving service** will be held on Sunday, November 23, 2025, at 6:00 p.m. in Mondamin at Holy Family Catholic Church. The offering will be for the West Harrison Ministerial Alliance Benevolence Fund. Everyone is welcome and invited to attend.

Thanksgiving Day is always the 4th Thursday in November. The first nationwide Thanksgiving proclamation was made in 1789 by President George Washington. Later on in 1863 our modern national holiday was established by President Abraham Lincoln. Finally, in 1941 Franklin D. Roosevelt made Thanksgiving a federal holiday. Happy Thanksgiving 2025 on November 27th!

"Farming the land to feed the world."

"No farmers, No food!"

"From our fields to your fork!" **"If**
you ate today, thank a farmer!" By Donella
Pauli

You might be familiar with these sayings, but how often have you ever heard or read **"Feed the Farmers"**? That is just what happened on October 8th and October 15th

in Mondamin. A couple of years ago at a State Leadership Conference West Harrison's student council advisor, Delaney Mentzer, learned about other schools doing service projects where the student council prepared meals for the farmers during harvest season.

West Harrison's Student Council members with their advisor, and members of FCCLA and their advisor, Stacey Clark, joined forces this school year to Feed the Farmers!

Planning for this event started in the summer and was presented to the administration on the very first day of school. Mrs. Jackie Fonley, West Harrison's Principal, gave the group her complete support so the planning continued. Twenty-five members of the student council, thirteen members of FCCLA, and their advisors worked to plan what to serve, purchase groceries to cook the meals, and locate a space to serve the meals.

Kathy Glennie, Food Service Director at West Harrison, helped the group order much of what they needed to prepare the meals; that way the items were delivered directly to the school which saved time.

When asked if they could help with the project, Mondamin's Heartland Coop was on board by providing their office space as a place for the meals to be packaged and picked up by a member of the farmer's family.

Between the two meals (a spaghetti dinner and a hot beef sandwich dinner) nearly 150 meals were ordered, picked up, and taken to the fields for local farmers to enjoy.

The groups reached out for support from our community and neighboring communities to get initial donations to put toward the service project. Later with free will donations, they were able to make this service project a success. All donations were greatly appreciated.

This project gave the students an opportunity to learn what it is like to plan, organize, prepare, and do quantity cooking. Some of the students aren't sure they would like doing something like this as a career.

When Ms. Mentzer and Mrs. Clark were asked if this service project would be repeated, they both said, "Yes!" Clark added, "It was fun to work together." Mentzer commented, "It was a great opportunity for our students." The students learned they need to be organized for a project this size. Both teachers felt it allowed the students to see them in a different light.

In the future if you see or hear the phrase, "If you ate today, thank a farmer," you know that in the West Harrison community the farmers can say, "If the farmers ate today, thank the student council and FCCLA groups from West Harrison!"

Next harvest watch for details about **Feed the Farmers II.**

LIBRARY NEWS

Several large print edition books are now available at the library. Stop by to check out one.

The library director had a table set up at Boo Bash for the children to visit. The special one-of-a-kind glass squirrel was hiding on the library's table for the participants to locate during the scavenger hunt! It took them a long time to find him! He won't be back next year because he went home with one of the two children who found him!

There are new things happening at the library each month. Stop in to see what's happening!

Squatters Get Way in Row; County Rents Land for Them

March 19, 1933

Special to the Nonpareil

Mondamin, March 18

Although, three judges have ruled against them in decisions over a three-year period, the squatters' row, which finally embroiled a Nebraska and an Iowa sheriff, has ended in victory for the squatters.

Harrison County supervisors this week leased the rich river bottom farm of Frances Remington of Mondamin and granted the squatters the right to farm it this summer.

Three squatters, who were held in jail on a contempt of court charge for refusing to vacate the land on order of Judge Tinley, were released from jail.

Meandering of the Missouri River has left a strip of "no man's land" near Mondamin which both Iowa and Nebraska claim.

When Sheriff Cross of Harrison County arrested the three squatters for failure to vacate the alleged "Iowa land," a Nebraska sheriff promptly summoned the Iowa

sheriff to appear in court to answer a charge of unlawful arrest.

This move came to naught when the Iowa sheriff refused to go to Nebraska, holding that the charge was not an extraditable offense and that therefore he could not be forced to go.

Meanwhile the squatters continued to insist they live in Nebraska, while they get food and clothing from Harrison County's poor relief fund, accept help from the Iowa Red Cross, and accept the succor of the Mondamin Women's club, which furnishes shoes to keep the children in Iowa schools, to which the squatters refuse to pay tuition as Nebraska residents or taxes as Iowa citizens.

DID YOU KNOW?

Veterans Day is always November 11th and it honors all who have served in the U.S. military, living or dead.

With that in mind, have you ever wondered what to say to a veteran. Is it OK to say, "Happy Veterans Day!" to a veteran. Or is there something more appropriate to say?

Some sources say that it is generally OK to say "Happy Veterans Day," but some veterans may feel it's more sincere to say something like "Thank you for your service," or a more personal message of gratitude. It is probably best to consider your relationship with the veteran and say something genuine and respectful.

Most veterans appreciate any sincere acknowledgement of their service and contributions to our country. Something simple is best to say to a veteran that you don't know. Younger veterans in particular might feel uncomfortable with either of the phrases because to them it might feel like a generic or insincere comment. Older veterans who may have had more difficult experiences in the service might think the word, "happy", doesn't feel appropriate. Perhaps "Thank you for your sacrifices to our country" would be better.

When Mondamin's Jesse Strong American Legion Post #378 Commander, Dave Tallon, was asked to comment about what is appropriate to say to a veteran, he said, "Veterans Day and Memorial Day are more somber and reflective, not necessarily a celebration like a birthday or an anniversary. A thank you is great."

Whatever you decide to say to a veteran, just be sincere, offer a simple thank you, focus on their contributions if you know what they are, personalize the message if you know the person, and always be a good listener if the veteran wants to share about their time serving our country.
