Mission: To help residents learn what is happening in town and around the area.

CITY COUNCIL NEWS

Mayor Pro Tem, Karen Breyfogle, called the October 5, 2026, meeting to order leading those present in the Pledge of Allegiance.

Mayor Richard Proskocil was not in attendance, but submitted his letter of resignation. All council members, staff Alyx Hirst and Mike Kelley, and public William Nelsen, Cortney Sims, and Michele Stirtz were present.

The agenda, minutes from the last meeting, and claims were all approved.

Michele Stirtz was present to introduce herself to the council and state that she is running for Harrison County Supervisor. She said she wanted to stay current on Mondamin topics.

A report f rom the Mondamin Community Center manager was submitted to the council.

Library Board President, Bill Nelsen, introduced Cortney Sims, a new library board member. Bill told the council that Christine Hussing would no longer be assisting Helen Carritt because she is handling the day-to-day operations well. The librarian and some members of the board met with the Missouri Valley librarian for one day. They will be busy cataloging the kids' section in October. Bill also stated that their main focus will be getting their accreditation back. The library raised $122.00 at BOO BASH.

There was no report from the fire department. The owners of property at 210 N. Main had asked to be on the council's agenda, but were not present.

In new business there was much discussion about the storm drain repair in front of West Harrison and whose responsibility it was to pay for the repairs. After much discussion, a motion was made, seconded, and passed for the city to pay for the repairs. A bid of $7000 was accepted from ARMODUS.

A public hearing date was set as November 2 at 7:00 p.m. for the sale of the city-owned lot at 409 Pine Street.

Mary Seago mentioned that most towns set a date and time for trick-or treating. The Council agreed on Saturday, October 31 from 5:00 p.m. and 9:00 p.m.

The Council agreed on shade umbrellas for the park, a street sweeper attachment, and a track loader to be the items asked for in the King Foundation Grant.

The Council decided to purchase a pallet rack which will help get items off the floor in the shop. Mike Kelley was instructed to purchase one he thought would be best.

Mayor Pro Tem, Karen Breyfogle, expressed her gratitude for Richard Proskocil's service as mayor. The City regretfully accepted his resignation and extends its best wishes to him and his family.

In the clerk's report, Alyx reported that she had been busy with day-to-day operations and preparing for the few projects that need to be completed. She reminded everyone about the citywide clean up day on October 18th from 2:00 – 4:00 p.m.

The Public Works report mentioned that because of all the rain, Mike had been busy cleaning out the city buildings and organizing things. He also stated that he had drained the detention tank at the water treatment plant to clean it because he had noticed that the bottom nozzles were plugged. He wanted to clean them before winter, but needs a specific ladder made for the tank for safety. The paving of Cedar Street is to begin.

There was no further business so the meeting was adjourned.

The next Mondamin City Council meeting will take place on November 2, 2026, at 7:00 p.m.

Just a note: In addition to the *Harrison County Times-Reporter* you can also find the minutes of the Mondamin City Council at www.iowapublicnotices.com and www.mondaminiowa.com.

COMMUNITY NEWS

BOO BASH Was a Success!

Sunday's BOO BASH sponsored by Mondamin Community Partners was a great day in the Mondamin City Park! The weather was beautiful! The kiddos were all there to play games, win prizes, and be with their friends. Parents came with their children to have a nice day outside. We had the best group of volunteers to run the games and just help everybody have fun. It was awesome! As one of our organizers said, "You could just feel the joy!" If you didn't make it this year, be sure to come in 2027!

Thanks to everyone who purchased raffle tickets to try to win our prizes. (Buying raffle tickets helps us keep our events free!) Here are the winners:
The $50 gift card to Family Fare was won by Mike Liljedahl.
Peggy Smith won the Beverage Basket.
Gage Remington was the winner of the Vala's Pumpkin Patch passes.
Congratulations to the winners!

We had a large white pumpkin on display and asked everyone to make a guess as to how much the pumpkin weighed. Elise Remington was within .8 of a pound of guessing the exact weight. Way to go Elise! Yep, she won the pumpkin!

We thank everyone for supporting our fall event. It won't be long until we have Light Up the Park! We will be decorating on Sunday, November 1 and we can always

use extra help. Mark your calendars and come to the park to help at 1:00 p.m. on the first.

Light Up the Park with Santa and Mrs. Claus and rides in a horse-drawn wagon will be on Sunday, November 15 from 3:00 p.m. until 5:00 p.m. It will be another great event with refreshments (Grey Gelding Coffee Truck will be on hand.) and seeing the beautiful Christmas lights turned on to decorate our park during the holiday season.

MCP hopes to see you all on November 15 for Light Up the Park!

Spring Forward, Fall Back

Daylight Saving Time ended on Sunday, November 1, 2026, at 2:00 a.m. Hopefully you remembered to set your clocks back and hour.

Food Drive for Matthew's House

Boy Scouts Pack #558 out of Missouri Valley is placing food drive boxes at the Jiffy Mart in Mondamin and Country Corner in Pisgah from November 1 – 14.

They are asking you to contribute by purchasing nonperishable items which will be given to Matthew's House Food Pantry in Mondamin. Please help this group with this project as they help those in need in our community.

Election day is Tuesday, November 3, 2026. The polls are open from 7:00 a.m. until 8:00 p.m. If you have questions prior to November 3, contact the Harrison County Auditor at 712 644-2401. Remember to vote!

Post Prom Fund Raiser

After you have been to Light Up the Park to see the beautiful Christmas decorations turned on, come enjoy a **Chili and Cinnamon Roll supper** on Sunday, November 15 from 5:00 p.m. until 7:30 p.m. at the Mondamin Community Center to support West Harrison Post Prom. There will be silent auction for various items and baskets of goodies. This will be a free will offering evening.

Come have a delicious meal and help the parents provide a fun, safe post prom evening for the students.

Community Thanksgiving Service

The community will gather at the Mondamin Community Center on Sunday, November 22 at 6:00 p.m. for the annual Community Thanksgiving Service. Mondamin's United Methodist Church will be hosting the event this year. Fellowship and refreshments will follow the service.

Donations will be accepted for the West Harrison Ministerial Alliance to aid them with the help they provide those in need throughout the year.

"The more you practice the art of thankfulness, the more you have to be thankful for."

Fall Decorating Contest

Mondamin Community Partners held a fall/Halloween decorating contest. Prizes were given in two categories: the best fall decorations and the best Halloween decorations.

The two winners of the decorating contest are Ray and Kathy Thompson and Randy and Deb Farris. The judges had a difficult time deciding the winners because there are so many beautifully decorated homes in Mondamin. If you haven't had time to drive around town to see the displays, please find time to do that. You'll be pleasantly surprised. Thank you to all the residents who decorated their yards and homes.

Congratulations to both winners! Each of them received a $50 gift card to the Jiffy Mart.

Grey Gelding Coffee Truck to Visit Mondamin

Do you want a hot, delicious coffee drink in the morning? Cheyann Straight will have her coffee truck parked west of the Mondamin Library starting October 22nd and will visit Mondamin every other Thursday from 7:00 a.m. – 10:00 a.m. (November 5th & 19th) Mark your calendars so you won't forget to stop by for a delicious beverage to get your morning off to a great start!

Thank you

Thank you to Deegan and Caleb for the great help in preparing the flower planters for fall and winter. Your help was greatly appreciated!

More Bizarre State Laws

Here are a few more bizarre laws that must have been important at some point, but we have to wonder why they were ever passed.

- In Kansas tire screeching is banned.
- It is illegal to send a surprise pizza in Louisiana.
- Sleeveless shirts are banned in public parks in Maryland. (It didn't say if it pertained to both males and females.)
- In Massachusetts it's illegal to tell fortunes without certification. A fortune teller must have a license.
- Since 1953 it has been unlawful to sell, trade, or buy motor vehicles on a Sunday.
- Dirty tires are banned in Minnesota so you'd better wash your car before you cross the border. They consider it a public nuisance if mud, dirt, or other substances fall on their streets or highways.
- A 2013 law in Mississippi barred towns from forcing restaurants to include nutrition information or calorie count on menus. They also can't require restaurants to limit portion size.

Watch for more craziness next month.

Paige Parsons
West Harrison 2nd Grade Teacher

Have you been looking for a good book to read? Have you read *Dragons Love Tacos,*

The Day the Crayons Quit, or Hank, the Bully? If you'd like to read any one of those exciting titles, just stop by Mrs. Parsons' 2nd grade classroom at West Harrison.

Paige is originally from Missouri Valley where she graduated from high school in 2014. She then attended Creighton University where she received her undergraduate degree and then obtained a master's degree in Science of Reading from Northwest Missouri State University.

This is Mrs. Parsons' eighth year of teaching, but her first year at West Harrison. Previously Paige taught at Edison Elementary in Council Bluffs where she taught kindergarten, 1st grade, and 2nd grade. (She was quick to mention that her first year of teaching was the COVID year! We all have special memories of what that was like for our students and schools!)

When asked why she came to West Harrison, Paige replied that she was ready to be part of a community and she feels she has found that "family" at West Harrison. She has felt very welcomed and says, "Everyone here wants what is best for everyone." The staff has been very supportive and kind to her.

Paige enjoys teaching 2nd grade because the students are still young, sweet, fun, and becoming independent. Paige feels that the learning from previous years is coming together in 2nd grade.

She is still learning the curriculum, but like all teachers, Paige has goals for her students especially in reading and math. The students have been composing and decomposing the number 10. The 2nd graders have moved on to spelling more complex words and increasing the need to read for comprehension.

Paige and her husband, Aaron, who has a trucking company, have a 17-month-old daughter, Raylyn. Paige mentions her mother, a retired teacher, as her inspiration to become a teacher.

Welcome to West Harrison, Paige! We hope you and your 2nd graders have a wonderful year!

And, by the way, those books that were mentioned at the beginning of this article, you might want to check out *The Day the Crayons Quit*. It will keep you on the edge of your seat until you find out what the crayons' grievances are and how the little boy can color.

DO YOU KNOW?

Most of you reading this article either currently are or were at one time a resident of Harrison County, Iowa. Some of you have lived here your entire life and others have been here just a short time, but how much do you really know about Harrison County?

Harrison County is one of 99 counties in Iowa and was created in 1851. The county is named after William Henry Harrison, the ninth US President. It is the 52nd most populous county in Iowa.

Harrison County covers a total of about 702 square miles which most of that is land. Only 4.8 square miles are water.

Missouri Valley is the largest town and Logan is the county seat. The population of Harrison County has changed over the years. In 1930 the census counted 24,488 people in the county, but the most recent data says that there are currently only 14,632 people living here. About 93.46% of the people say they are non-Hispanic White. Other groups include 0.19% Black, 2.01% Hispanic, 0.20% Native American, and 03.4% Asian. About 3.78% are of another race or more than one race. Harrison County has 6,665 homes, but only 5,951 of them are lived in.

The median household income is $79,535 while the median home value is $176,000. (For the state of Iowa the income is $75,059 and the home value is $208.000.) Our county has 2.3% unemployment, but 65.2% labor force participation. Statistics show that Harrison County has a 7.1% poverty rate.

As most of you know, there are several important roads that run through Harrison County: Interstate 29, U.S. Highway 30, Iowa Highways 37, 44, 127,183, and 191. Residents can travel easily across the county and on to other places in the state.

Harrison County has 20 townships, 10 towns, and 5 smaller places that are not officially cities. (California Junction, River Sioux, Orson, Yorkshire, and Beebeetown are areas known to many.)

That is Harrison County by the numbers. Were you surprised by anything you read? No matter what the numbers say, we all know Harrison County as HOME.

NOW YOU KNOW!

The book club will meet on November 4 and each member will talk about a book he/she is currently reading or a favorite of theirs. The group will not meet in December, but will return to their regular schedule in January 2027.

Have you stopped in the library to meet Helen Carritt? She would love to meet you and find out what you'd like to read. Remember, there is always something for everyone in the library!

Mondamin Memories

Have you been anxiously waiting to find out what happened to the Mondamin students who staged a strike trying to keep their superintendent? That article was last month's Mondamin Memories. Your wait is over.

WOLFE REFUSES CONTRACT; STUDENTS END SIT-DOWN

WILL QUIT JOB WHEN TERM ENDS

Youngsters Leave School After Superintendent Pleads

MONDAMIN—A stirring plea by Superintendent Gordon Wolfe late Friday afternoon brought an end to a 30-hour sit-down strike by 150 students of Mondamin Consolidated school. The strikers left the schoolhouse silently after they learned that Mr. Wolfe plans to resign at the end of the present term, May 25, although he has been tendered a new contract by the board of education.

“I was never in favor of the strike, Mr. Wolfe was quoted as saying. “I did everything possible to discourage the demonstration. I don’t believe that is the way to settle matters of this kind.”

Despite the new contract, which is the same as the one under which he is now serving, Mr. Wolfe stated definitely that he will resign. He did not announce any definite plans for the future.

“A little misunderstanding between the board and myself” was given by Mr. Wolfe as the reason for the situation.

Decision by the students to end their strike climaxed a day in which community feeling ran high and the youngsters defied an edict from Mayor William Probesting to vacate the building. More that a hundred parents signed a “We want Wolfe” petition which was circulated.

Following a special session of the board of education, Kermit Clark, school treasurer, went to the school and informed students that a new contract was being offered the superintendent, and asked them to go home.

Jerry Belleville, student spokesman, asked to see the contract and he and Mr. Clark went to Superintendent Wolfe’s home to examine it. Salary was not mentioned in the contract, according to Belleville.

President Dean King did not attend the board meeting which was held at the school a little later. Board members were silent during the discussion and the plea of Mr. Wolfe to quite the strike “for my sake.”

Young Belleville said, “We gave up because Mr. Wolfe wanted it that way.

“A student clique that is trying to run the school board” was blamed for the controversy by Board Member Evan Noyes. “What’s the use of having a school board, if it can be dictated to?” he asked.

“Had the strike continued,” Mr. Noyes said, “the board would have dismissed school for two weeks which would have interfered with graduation of the senior class.”

Do you have items that need to be dry cleaned? Drop them off at the Jiffy Mart by Tuesday, the items will be picked up, cleaned, and returned by Tuesday the next week.

Matthew's House Food Pantry

If you are in need of assistance, the food pantry is open each Sunday from 11:30 a.m. until 1:00 p.m. and on Wednesdays from 5:00 until 6:30 p.m.

Donations are accepted during those times as well. The food pantry will be making Thanksgiving baskets which will contain a gift certificate for either a turkey or a ham, so would appreciate canned yams, stuffing mixes, and other items to make a Thanksgiving dinner.

Every Friday night is PIZZA NIGHT at the Sandbar in Mondamin. Stop by or call 712.646.2300 to order your favorite pizza.

SCHOOL NEWS

The 2026 **Healthiest State Walk** was held at West Harrison on October 7, 2026. It was an opportunity to join thousands of other Iowans state wide in walking to raise awareness of the importance of physical activity and mental health well-being in Iowa. Workplaces, schools, organizations and cities across Iowa participated.

Moving Iowa forward starts with healthy habits. Whether it is taking a walk, making healthier food choices, connecting with others, or prioritizing mental wellness, every positive choice contributes to a stronger and healthier Iowa. This walk is a reminder that meaningful change often begins with small steps and together we can move Iowa to a healthier future.

Thanks for walking, Hawkeyes!

West Harrison to Honor Veterans

All veterans and other community members are invited to join the West Harrison students on Veterans Day, November 11, 2026, at 10:30 a.m. in the high school gym for their annual program to honor our veterans. The K-12 music students, under the direction of Ms. Kristi Rushing, will provide patriotic selections.

Tom York, the Director of Veteran Housing for Victory Apartments and Victor II Apartments will be the featured speaker. Mr. York is retired military having served in the United States Air Force for 22 years. He has 45 years of experience directly working with veterans from all branches of service.

Everyone is invited to stay for lunch following the program. The cost is $5.20 per person. RSVPs are appreciated to assist with meal planning. **To make a reservation for lunch, please call the high school office (712-646-2231) or email kglennie@w-harrison.k12.ia.us by November 6th.** The menu for lunch is roast beef, bread, mashed potatoes with gravy, green beans, fresh fruit, fresh veggie salad bar, WG muffin, and dessert.

Come salute our veterans and stay for lunch!

K-Kids and Builders Club Meet to Plan Projects for November and December

West Harrison's K-Kids met and decided they would write thank you notes to the veterans and give out smiley notes to brighten other people's days. In December they will help pay for the movie that the elementary students attend.

The Builder's Club will also be writing thank you notes to give to our local veterans. Their December project will be to make treat bags and notes to hand out

to the staff at Burgess Health Center in Onawa.

Karen Breyfogle and Deb Kuhlman are the advisors of these two groups.

Winter Sports Schedules are attached to this newsletter. Tear them off and keep them for future use.
